

立式双边自动送料裁断机

Vertical Double-Side Automatic Hydraulic Cutting Machine

HG-V120T, HG-V150T, HG-V200T

适用真、压空产品, PP、HIPS、OPS、PET、PVC、PE、ASB、PSP...等, 食品包装容器及工业包装材料。

Food packing containers and industrial packing materials such as PP、HIPS、OPS、PET、PVC、PE、ABS、PSP etc. vacuum & air pressure forming products.

特点:

- > 精准压力设定, 误差小、刀模寿命增加。
- > 特殊油压缸, 压力大、寿命长。
- > 精密加工, 高压下决不变形。
- > PLC及人性化彩色触控屏幕操作接口, 可记忆50个模块。

Features:

- > Precise pressure setting allows for less performance error and prolongs cutter operating life;
- > Reinforced hydraulic cylinder generation high pressure and features long operating life;
- > Frame is precisely processed, assuring no deformation under high pressure;
- > PLC humanized color touch screen control operation interface. Memory for 50 modes sets;
